

Accord

First Aberdeen are introducing new ticket machines from Monday 27th October 2008.

These new machines will only accept current Accord/National Entitlement Cards for free bus travel.

If your card is faulty, or you still have an old style card it will need to be replaced.

This reverse side of the card remains unchanged.

Either:

- exchange if for a free 7 day pass from the driver (accepted by all bus companies)

OR

- keep your card but you will have to pay the full bus fare.

To request a replacement card, please call the Accord Helpline on **0845 345 2789** (which is printed on all cards) as soon as possible.
